WE SUPPOSE IT HAD TO come sooner or later in this computerized age we are living in. But it still comes as a shock.

And we don't think many of our pub-crawling friends are ready for it. We are sure we are not either.

We are referring to the NCR Electra-Bar that is now being demonstrated to news media in San Francisco, according to a recent press release we received.

The Electra-Bar is slated to make its formal trade debut at the end of this month.

It is all sort of sad in a way, Somehow we can hardly imagine a machine replacing that long-time fixture of our society, the bartender.

But stranger things than that have happened.

Like going to the moon.

What would you have said about that ten years ago?

Or, for that matter, how about an 18-story office building for Campbell?

Would you have predicted that ten years ago?

But to get back to the press release on this "computerized" bar.

It is supposedly an electronic control system that mixes cocktails automatically. It records their purchase and provides a precise inventory and cash-and charge control for the bar.

It sounds sort of frightening, doesn't it?

-0-

PHOTO OF THE LITTLE monster was enclosed with the press puff plus a diagram showing how it operates.

It is capable (to quote from the release) of mixing 36 different kinds of drinks and highballs and the owner can program the computer to deliver regular, dry, extra-dry and premium martinis.

And the liquor content of the drinks can be regulated from one to 2½ ounces at 1/8th ounce at a time.

Of course, there will have to be someone around to punch the proper key. We guess you could call that guy a bartender in a sense.

But it won't be the same.

It is claimed that the system not only will dispense drinks faster but it automatically records the price of the drink and also provides instant inventory control, since the exact amount of the liquor is automatically subtracted from the register's liquor inventory totals.

It sounds like quite a gadget.

But there is one weakness we noted.

There is no provision for the customer to pour out his tale of woe to the bartender while waiting for his drink.

Have you tried talking to a computer lately?

THOSE OF YOU WITH fairly long memories may recall that we mentioned some time ago in this column that we had received one gold cuff link from a public relations man in British Columbia.

A group of boosters from that Canadian province annually tour California extolling the wonders of their country.

This public relations guy, as a gimmick, sent us one cuff link. He hoped that we would mention the visit of the people from the north country.

To get the other cuff link all we had to do was to send a card back in the self-addressed envelope that was enclosed.

You didn't even have to mention anything about British Columbia in the paper.

But we did.

We now have two cufflinks. Now all we need is a long-sleeved shirt with cuffs. We're looking around.

Council awards contract

City hall gets off the ground

By a 3-2 vote on Monday night, the City Council awarded the contract to build the new city hall to Frazier Construction Co. of Campbell for the low bid of $779,000, thus resolving an intra-council hassle that had developed over what course to follow to overcome the deficit in the city's construction budget.

The awarding of the contract to Frazier will probably mean that a minimum tax rate hike of 19 - cents in 1970 - 71 will be necessary to meet all the obligations, according to City Manager Bob Stephens.

Mayor Dean Chamberlin reluctantly provided the "swing vote" on the issue of awarding the contract, reversing the position he had taken on the original motion on May 4 when by a 3-2 vote all the bids were rejected.

However, a motion to reconsider had passed 3-2 later that same evening and the matter was deferred from May 4 to Monday (also by a 3-2 vote).

Before the motion to award the contract was made, the decks had to be cleared of the original motion to reject.

So by a 3-2 vote the motion to reject lost and then the final motion was made to award the contract.

Councilmen Ralph Doetsch and Bill Podgorsek favored the rejection route from the very start, although it was Doetsch's second motion on May 4 that reopened the matter.

Councilmen Ed Rogers and Bill Smeed, on the other hand, from the very start favored awarding the contract to Frazier, maintaining that the necessary tax hike for a few years would be a better bargain for the city than attempting to redo the plans with no guarantee that the bids would be lower the second time around.

So Mayor Chamberlin was the key.

In explaining why he had changed his mind, Chamberlin said that he had consulted many experts in the field during the past week and that it was his conclusion, based on his research, that apparently the city would suffer a "terrific loss", if the building was redesigned and resubmitted to bid.

He added that the city should not have been placed in the position it now found itself and, in his opinion, the plans had certain architectural features that should have been eliminated before going to bid.

He submitted that the delay in getting a new design (at least five months), the probable increase in construction costs in that time and the overall delay of getting a new city hall were the dominant factors in his reaching the decision to vote for the awarding of the contract.

Podgorsek reaffirmed the position he had taken on May

Planners to get expense money

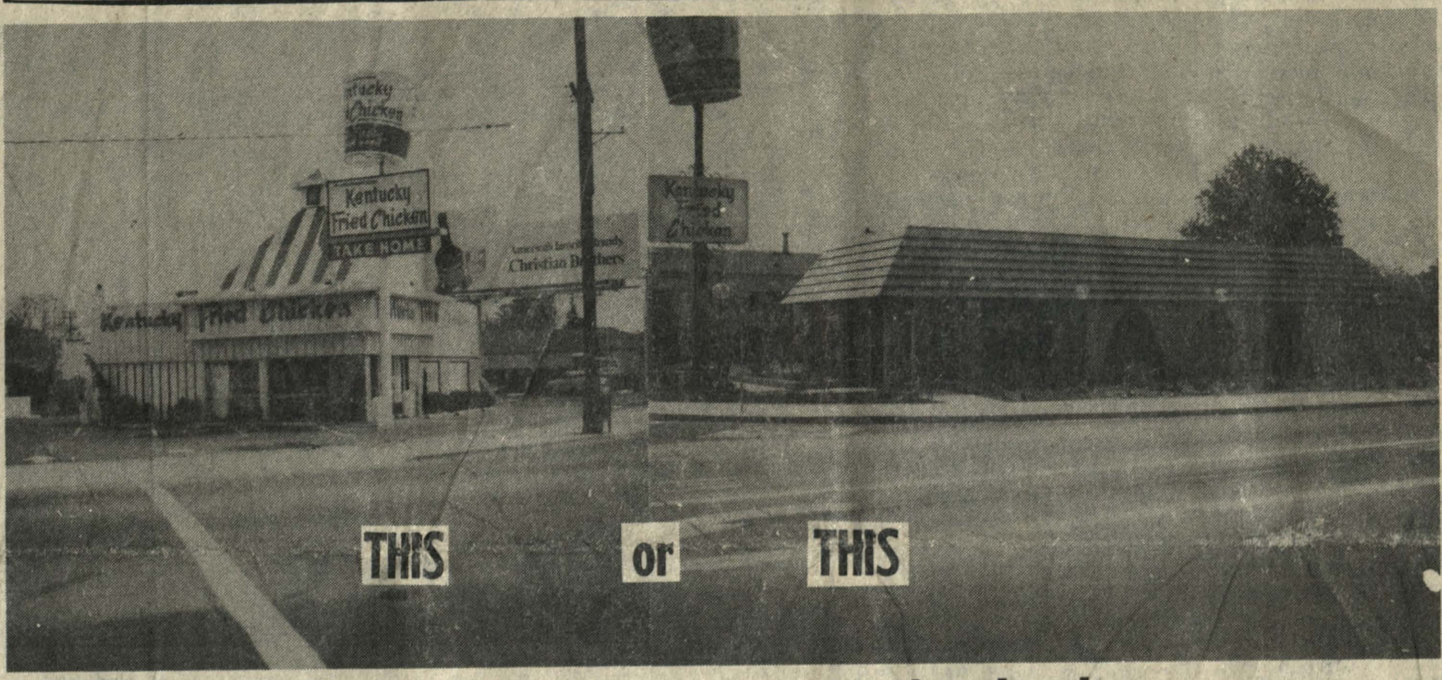
Those members of the Planning Commission who want to attend the first Institute for Planning Commissioners June 3-5 in Anaheim can do so at city expense, the City Council ruled Monday night.

Because there are no funds in the commission budget for the institute, the Council voted to dip into the unallocated reserve in order to pick up the tab for the seven commissioners at $240 each (total $1480). (All commissioners won't be able to go, however.)

The commissioners had indicated that they thought it would be more beneficial to attend the institute than the annual meeting of the League of California Cities, for which funds were budgeted.

But the stickler was that the league meeting was held last October, so those funds had already been expended.

Hence the need to get Council approval for the extra money.



Planners seek to upgrade design

CHANGES SUGGESTED---A Colonel Sanders Kentucky Fried Chicken restaurant has received the blessing of the Planning Commission to locate at the corner of Winchester and Latimer.

BUT the Planning Commission has recommended to the applicant, Harman Managers Investment, Inc., that the building plans submitted should be revised to appear more like the one on the right above. The plans that were submitted with the application were similar to the building on the left above.

The Commissioners indicated that they felt that a more "subdued" Colonel Sanders would be more compatible to the general area. The photo on the right above is of a Colonel Sanders operation on El Camino in Santa Clara.

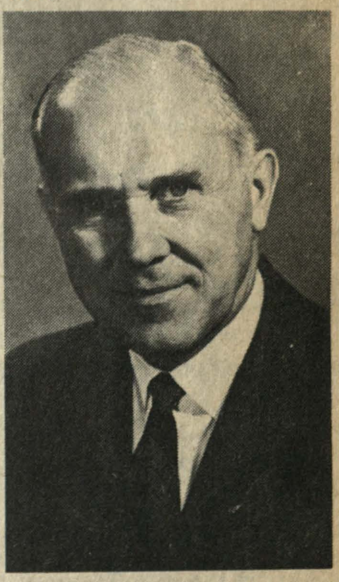
Dinner this Saturday, May 16, will honor retiring WV College prexy

Dr. Wallace W. Hall, the first and only president West Valley College has had and who will retire from that office on July 31, will be honored at a dinner this Saturday, May 16.

The dinner, at which fellow educators and friends will join in paying tribute to the "father of West Valley College", will be held at the Little New Yorker in Santa Clara. A no-host cocktail hour will begin at 6:30 p.m. with dinner to follow at 7:30.

Dr. Hall came to West Valley in 1963 after serving as assistant state superintendent of public instruction. Prior to that he had been county superintendent in Marin County.

There is limited seating and reservations can be made through the college's business education office, 379-1733, ext. 14. Ken Schock is chairman.



DR. WALLACE HALL

A JOB WELL DONE---Carl Kuhn, on the left, assistant to the Campbell city manager, receives congratulations from Bob Stephens, Campbell city manager, on having been named recipient of the Campbell JayCees Distinguished Service Award.

Carl Kuhn wins annual JayCee distinguished service award

Carl F. Kuhn was named the recipient of the Campbell JayCees Distinguished Service Award at their annual dinner meeting held last Tuesday, May 5.

Kuhn, 29, has served as assistant to the Campbell city manager since Oct. 24, 1966, and has been involved in the Campbell Beautification committee work, secretary to the Parks and Recreation commission, served as an advisor to the Senior Citizens and the Youth Advisory commission and worked toward establishment of Pony League facilities at Rincon Park.

He is also serving as coordinator of the joint development of the Los Gatos Creek park chain involving Campbell, Los Gatos and Santa Clara County.

Kuhn is the third recipient of the JayCees highest award, which is annually given to a Campbell resident under the age of 35 who has contributed the most to the area in which he lives.

The first award was made to Robert E. Dalzell and the second to Dale H. Scott.

Kuhn, who was graduated from University of Southern California with his MS in Public Administration, changed his career in mid-stream. He stated that the people of Campbell really deserve the honor of the award, because they are so nice to work with and so anxious to work for the betterment of their own community.

Kuhn is married and lives with his wife and small daughter at 1800 W. Hacienda.

Selection of Kuhn was made by a committee of three non-members of the Campbell JayCees.

At dinner tonight

Police honor citizens

As part of Law Enforcement Week, the Campbell Police Department will hold its fourth annual "citizen appreciation" dinner this evening (Wednesday) at 7 p.m. at the Royal Fork, 1730 W. Campbell Ave., in the Kirkwood Plaza.

At the annual dinner, the local police, in effect, turn the tables and pay respect to the citizens of the community which they serve.

The department will present an award to a citizen-of-the-year, as well as the reserve officer-of-the-year.

Dr. Harry More, chairman of the department of administration of justice at San Jose State, will be the guest speaker.

"Dillon area" gets new zone

In two actions on Monday night affecting the Gilman-Dillon-Railway area, the City Council followed prior recommendations of the Planning Commission as to both "land use" and zoning.

The Council action will lift the interim zoning that has been in effect for almost 18 months in that section of town.

With Councilman Ed Rogers the lone dissenting on the Council, a P-D (planned development) zone was placed on the entire area. Rogers indicated that the area should be reserved for multiple housing and that the City had a moral commitment to those residents in the area who had lost their homes in the past because of the city's condemnation policy for the sector.

Before the zoning ordinance was given its first reading, the specific land use plan for the area under the city's general plan, which calls for medium density housing in the

Let's have a breather

No one will deny the value of the annual Congress for Community Progress which was held for the past four years.

When the "Congress" is held, citizens of this community have an opportunity to express themselves over what is right or wrong in their community.

This is great.

The people also have an opportunity to analyze and compare what improvements have been made in the community over a definite period of time.

But one year is not enough of a time lapse.

Therefore, although we appreciate the value of a Congress for Community Progress, and we have supported the concept from the very start four years ago, we are of the opinion that the value of the Congress is lessened when it is held annually.

To begin with, not enough time can elapse between one congress and another to indicate what progress has really been made.

A case in point: The bond issue for the civic center complex was passed in October, 1967. Yet only now is the actual nitty gritty taking place about the bids for the city hall.

Almost three years have gone by and not a spadefull of dirt has actually been turned for the city hall.

The Congress for Community Progress in 1967 emphasized the need for a city hall and laid the groundwork for the bond issue.

In 1968, the Congress reviewed the results of the bond issue and looked forward to the new city hall.

In 1969, the Congress (still without a city hall) looked forward to a new civic center complex.

And again in 1970.

What we are saying is that the Congress for Community Progress serves a definite purpose.

It is important.

BUT, our point is that not enough happens in one year to justify a Congress every year.

Let's wait and give things a chance to develop and improve.

The problem, of course, has been that the same people turn out year after year for the Congress.

Now that is commendable.

But the Congress is NOT reaching all the segments of our community and maybe if a little more time is allowed between congresses, more people in the community will become involved.

At least it is worth a try.

Let's plant a tree

On Saturday, May 23, volunteers are needed to assist in one of the most worthwhile civic projects that citizens of this community have had a chance to participate in for many a moon.

It should be satisfying to all concerned, that all volunteers will get a chance to plant a tree.

Or a shrub.

This is the opportunity all of us "green thumbers" have been waiting for. Plant a tree or a shrub and then watch it grow over a period of years.

Through the cooperation of the county, the San Tomas Expressway from Budd to Camden avenues will be landscaped, provided there are enough volunteers to put the trees and shrubs into the ground.

The county will furnish the plants and dig the holes.

We think this is one of the most outstanding joint civic projects that has been suggested.

We all get a chance to stick a tree or bush into the ground which will beautify the city. All we will be out will be a little time.

There is a lot to talk about ecology in these times, so here is our chance to do something about improving a situation.

How about getting into the act?

At least 75 volunteers are needed to plant the 1000 trees and shrubs that will be available.

It seems to us that in a city of 24,000 people, there must be 75 or 100 people who are willing to spend two hours on a Saturday to beautify the community for the benefit of all of us.

Why not give Jeanette Watson a buzz at 378-7367 and let her know that you will be available to plant a tree on May 23?

press luncheon last Thursday which we hated to pass up because it sounded so impressive.

The "memo to the press" came from the office of Mayor Ronald R. James of San Jose. It explained that the press luncheon was being held to acquaint the news media with the Eastridge Center that is now under construction.

Eastridge, which is located on Tully Road east of Bayshore, is supposed to be the largest regional shopping center that is now under construction.

We thought it was nice of the San Jose brass to invite their country cousin to show off this mammoth project. (But they still haven't matched "The Towers".)

But what really impressed us was the transportation offered the press to and from the luncheon.

San Francisco - Oakland media representatives were flown to the scene by charter helicopter. (Two helicopters at the site also were used to fly the press over the 200-acre center.)

Limousine service for Santa Clara County press was provided.

According to the note, a limousine would pick us up at our office between 10:30 and 11 a.m. and return us between 1:30 and 2 p.m.

We are sorry we missed it now. We don't often get picked up by a limousine.

THE PLANNING COMmission last week approved plans for a "Colonel Sanders" restaurant, provided the restaurant owners changed the design that had been sub mitted.

The commissioners had photos of a similar operation in another community to show what could be done in the way of styling.

We think the Commission should be commended for this action. It is a step that should have been taken 10 years ago, in our opinion.

We have nothing against these franchise drive-in operations. Shucks, there are so many of 'em, we can't keep track of them anyway.

But we think some improvement could be made in their appearance.

We don't think it is always necessary for a community to bow to the dictates of a nationwide concern when it comes to the type of design of a building, just because it happens that the firm wants identity and the more conspicious the better.

We can think of a couple joints in town that are so garish in appearance that we sort of shudder, esthetically speaking, every time we look at 'em.

We admit they do stand out, although we wish they didn't.

We appreciate this move on the part of the planning commissioners to sort of tone down things as far as "Colonel Sanders" is concerned.

We are certain it won't affect the chicken any.

CAMPBELL'S CITY council has been badly divided over the city hall bid situation.

But we see nothing wrong with this division, for all the councilmen are sincerely interpreting the situation as they see it.

It just so happens that they all don't see it in the same light.

And that's healthy in our book.

Everything is not always black and white in this world of ours.

There is an awful lot of gray around.

Quite frankly we were pleased that the councilmen were making the decision and not the editor of this newspaper.

We blew hot and cold on the issue and, frankly, we can build a good case on either side of the fence.

So why would you expect the councilmen all to be of the same mind?

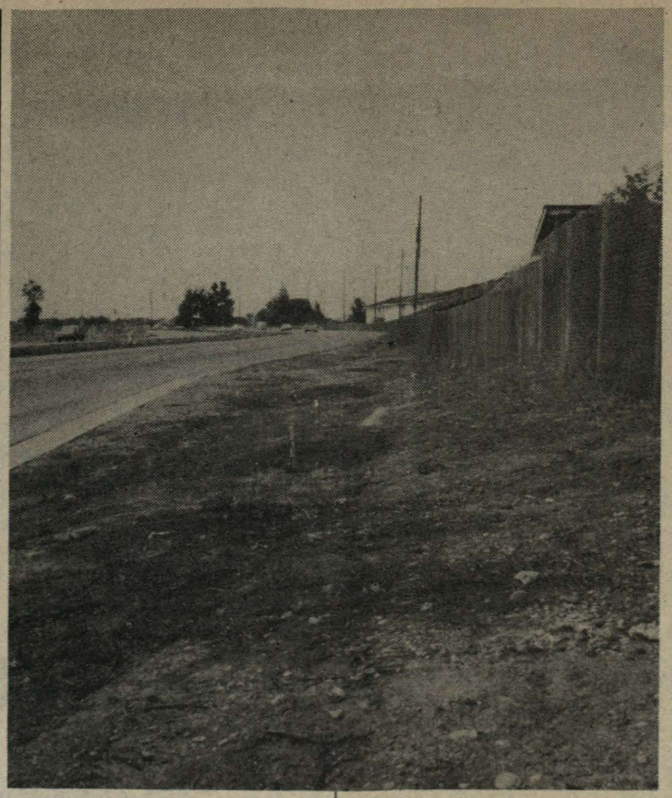
VOLUNTEERS ARE needed to plant 1000 trees and shrubs on Saturday, May 23, along San Tomas Expressway from Budd Ave. to Camden Ave.



TO BE PLANTED--Pictured above is a portion of the San Tomas Expressway from Budd Ave. to Los Gatos Creek that will be transformed Saturday, May 23 by volunteer workers planting trees and shrubs to be furnished by the Santa Clara County Department of Public Works. Planting will be co-ordinated by the Campbell Citizens for Beautification and volunteers are needed to sign up now. Call 378-8141, Ext. 23, to sign up.

area, had to be modified.

The land-use amendment, as approved by the Council on Monday, allows for industrial uses along Railway Ave., south of Central and along the creek. The section north of Central, fronting on Gilman and Dillon can be used for industrial, professional offices or medium density residential purposes.

Leaders in the fight for industrial and/or PD zoning was the Chamber of Commerce, represented by Lowell Grattan, chairman of the CofC industrial committee.

Also speaking for industrial zoning were John Murphy, local real estate agent, and Mrs. Wilma Plog, property owner in the area.

Advocating multiple housing were Bill Dean, active in senior citizen and OES activities, and Pet Lico, local merchant and former Campbell mayor.

City hall bid

(Continued from Page 1)

4, maintaining that the proposed city hall had been expanded over what had been the original intent to have a "modest civic center" and he thought it was unfair to raise the tax rate because of the expansion.

Bill Hedley, the architect, explained in detail how the city hall "had grown". He said that an intensive space study had been made by his office and that he could show where "every filing cabinet" and other equipment would go.

He cited, for example, that in the public works wing, the original study had allowed for drafting tables but no space to walk between them.

He added also that the "expansion" in floor space from the original 23,644 sq. ft. to 28,900 sq. ft. of the contract had been approved by the City Council and it also took into consideration the unfinished portions that will be completed at a later date.

Hedley emphasized that it was far less costly, in his opinion, to "finish" the shells in a future date than to tear out walls later and then expand.

In his report to the Council, prior to the voting, City Manager Stephens showed the various alternatives that were available.

He indicated that the Frazier bid would probably mean that the tax rate for the city would go to $1.89 this next fiscal year, in order to take care of the furnishings and the deficit. An estimated tax rate of $1.70 had been contemplated which would include 63 cents for bond redemption.

In his report, Stephens also indicated that without a tax increase it would be necessary to make a savings of $184,331, if new bids were asked.

Here is an opportunity to help beautify the community on a do-it-yourself basis for just a couple of hours.

Mrs. Jeanette Watson, chairman of the Citizens for Beautification, has appealed to local citizens to turn out on May 23 to lend a hand in a project that is worthwhile from every point of view.

The holes for the trees and shrubs will already be dug and the trees and plants will be on hand. All the volunteers have to do is to stick 'em in the ground.

The County is furnishing the plants and is digging the holes.

It's a chance to really help out.

Give Jeanette a call at 378-7367.

Council names Rev. Gould to inter-faith unit

The Rev. W. H. (Ben) Gould, pastor of the First United Methodist Church in Campbell, was reappointed by the City Council Monday as this city's representative on the inter-faith advisory council.

The group is directing the campaign to raise funds for an Inter-Faith Chapel at the Santa Clara Valley Medical Center.

The goal is $200,000.

The Council also suggested that any resident who might be interested in serving on the County Library Commission to contact the city clerk's office. It was announced that the term of Julius Lusting, county-at-large director, had expired.

The Council also, in approving the prospectus that offers the $80,000 series park bonds for sale, called attention to the fact that private citizens can bid on the bonds as well as financial institutions. A maximum of 6% will be paid and the bonds are for a five-year period.

Bid opening will be on Tuesday, May 26.

The Council, by a 3-2 vote, in a delayed action, approved a zone request of Phillip Olavarri on Dell Ave., thus upholding the Planning Commission recommendation.

In a previous meeting, the motion to approve was ruled dead for want of a second. Before voting, Councilman Bill Podgorsek reported that he had visited the property in question and was willing to approve the new zoning based on the situation in the immediate area.

Councilmen Ed Rogers and Bill Smeed opposed the zone change (from C-M to M-1-S).

It had been indicated that the parcel in question would be used for a wood storage yard.

CUSD meets in budget session

First efforts at obtaining a balanced budget for the Campbell Union (Elementary) School district were made Thursday, May 8. At that time the Board of Trustees met with local citizens, employee organization leaders, members of youth commission, teachers and administration made the first budget draft for the 1970-71 school year.

City gets plans for PruneYard

Plans for the second phase of The PruneYard commercial center complex, being developed by Fred Sahadi, will be up for approval at the Planning Commission meeting next Monday, May 18.

The units will extend along the front of the present construction facing Bascom Ave.

Plans for a veterinary hospital at 1555 N. Winchester at the San Jose city limit will also be presented at the meeting.

On the agenda also will be the applications of Home Federal Savings and Loan Association and for the R & M Plastering Co. for permits to build industrial buildings at 126 Dillon and 293 Dillon, respectively, in the area that is now in the process of being rezoned P-D (planned development). The requests have been continued from previous sessions of the Commission.

A use permit request has been submitted by Lawrence Pereira to use a residence at 480 N. Harrison for an office.

HOW TO WARM UP A COLD PILOT.

Even the most faithful pilot light can go out. So check your pilot first if one of your gas appliances or furnace isn't operating.

Most gas ranges have more than one pilot. If you're not sure where they're located, consult your owner's manual. (If you need help, call us.) Before relighting a pilot, be sure all burners are turned off. Allow a few minutes for the air to clear, then touch a lighted match to the pilot opening. The pilot should light with a small, blue flame, and the burner should light when you turn it on. If the burner fails to light, call us. We'll send a man out to check it.

Modern gas water heaters and dryers shut off completely if the pilot goes out. And most models bear manufacturer instructions for relighting. If you can't get the appliance operating, call us or the installer.

If the pilot of any gas heater or furnace goes out, TURN OFF THE MAIN BURNER VALVE FIRST. Allow ten or fifteen minutes for any accumulation of gas to clear before relighting pilot (following the instructions on the equipment). With the pilot relighted, the furnace or heater should operate. If it won't, call us.

PILOTS NEEDN'T GO ON VACATION. Some folks prefer to shut off furnaces and water heaters during the summer or vacations. However, it's more convenient to turn off the main burner, but not the pilot. When the pilot is lighted, your furnace is ready to work on a cold day. Most hot water heaters can be turned to "PILOT" when not in use. This keeps the pilot lighted and prevents the main burner from heating water.

WARNING: Never look for a gas leak with a lighted match or candle. If you suspect a gas leak, call PG&E right away and we'll check it.

If you call for a PG&E service man to check out a gas leak or an appliance, have him show you where your pilots are, and how to relight them. If an appliance needs repairs or parts, an appliance man, plumber, or furnace man should be called.

P.S. The average daily cost of gas and electricity to run a typical household year 'round is less than a couple of packs of cigarettes.

Carnival time arrives at Hazelwood School

The Hazelwood Home and School Club has scheduled Saturday, May 16 for their annual carnival which will be held at the school grounds on Waldo Ave.

Starting at 9 a.m. a variety of games and other activities will be offered during the day, closing at 3 p.m. Tickets will be sold by clowns who will be on hand all during the day, and also at the ticket booth.

A big day is anticipated by the Hazelwood workers who have all been working very hard on the fund raising project.

Listed are names of the workers and the activities they are in charge of: Mesdames Arlene Podgorsek, cake walk; Carole Thibault, cotton candy; Virginia Vaughn, popcorn; Karen Barry, sno-cone; Shirley Oswald, hot dogs; Joan Loher, coffee; Pauline Bettram, soft drinks; Bonnie Guditas and Garrie Harden, goldfish; Louise Connolly, dime pitch, Roberta Loftus, make-up; Lucy Romero and Tonya Helm, ring toss; and Lois Harrison, cookbook.

Men taking a hand include Ron Vance, baseball throw; Ed Spehar, dart throw; Pat Sullivan, cork gun; Dick Hofhein, tic-tac-toe; Jim Corless, barrel throw; Cecil Kroening, basketball throw; Paul Hansen, paint drawing and Jim Corless, clean-up.

Working in the ticket booth will be Ron Clancy and Hazelwood teachers, who will also be serving as clowns during the day.

WVC women meet May 14

Mrs. Gordon Aumack will be the hostess for the Thursday, May 14, meeting of the Faculty Women and Faculty Wives of West Valley College. The meeting will be held at 8 p.m. at 19600 Redberry Dr.

Guests at the meeting will be the recipients of the FW-2 scholarships to West Valley College for the 1970-71 year.

Entertainment for the evening will be presented by the West Side Ballet.

On the right is Mrs. George Updegraff, 3777 Century Dr., holding one of her husband's wood carvings which will also be on display.

Wine tasting and art May 17

A combination wine-tasting and art show with music and flowers will be held Sunday afternoon, May 17, by the Saratoga Parent Nursery Group in the gardens of the Joseph Fitzsimmons estate on Saratoga Ave. "May Basket Potpourri" has been chosen as the theme of the show which will be held from 2 to 5 p.m. Proceeds will go to improving the school.

Over 10 artists will be displaying their work, including oil and acrylics, watercolors, pen and ink, and demonstrations of weaving, glass blowing, welding, jewelry, flower arranging and sand candles will also be going on during the afternoon. Many Campbell children are enrolled in the Saratoga school and a number of Campbell artists will be displaying their work. Tickets may be obtained from Mrs. William Shumway at 867-9288.

O.E.S. Star Circle plans pot luck

The Star Circle, Campbell Order of Eastern Star, will hold their regular meeting Friday, May 15 at the home of Mrs. Harriet Siegner, 14892 Conway Ave. The potluck meeting will be held at noon and all attending are asked to bring their own table service. Husbands are cordially invited to attend. Phone 377-1221 for further information.

Members recently held a lovely Mother-Daughter luncheon at La Hacienda. Receiving gifts during the day were Mrs. Anna Abraham, the oldest grandmother present; Mrs. Mary Wilson, the youngest grandmother, and Nina Rodgers, with the most grandchildren.

Preparations are now being completed for the Tea Cup Tea to be given in June by the members.

Westmont band holds concert

Members of the Westmont High School Concert Band will hold their spring concert tonight at 8:15 in the Westmont High School cafetorium. Directed by Gary K. Kenyon, Campbell Union High School District music supervisor, the concert band will present the "Chorale and Alleluia" by Hanson, "First Suite in B Flat" by Holst, "Overture for Band" by Mendelsohn and "Hands Across the Sea" by Sousa.

In addition, a group of 27 students will present the band arrangement of "Water Music Suite" by Handel.

An admission charge of $1 will be used to purchase a stereo recording system for the Westmont music department.

IOOF BREAKFAST

On Sunday, May 17, members of the Odd Fellows Lodge will be holding their monthly breakfast at the Odd Fellows Hall, First and Campbell Ave. For $1.25 the public is invited to enjoy ham, eggs and pancakes. Doors open 8 a.m. to 1 p.m.

VIOLET MEETING

Mrs. Richard Hundley will present a talk on the "Methods of Feeding African Violets" at the May 19 meeting of the African Violet Society of the South Bay to be held at 1 p.m. in the Palo Alto Savings Community Room, 10250 Sunnyvale-Saratoga Rd.

Guests are welcome and the meeting is open to the public.

Country Woman's Club hears guest students

Exchange students attending Campbell High District schools will be the guests at the May 18 meeting of the Campbell Country Woman's Club.

On the program will be Vania Gondim from Brazil who is attending Blackford High School. From Westmont High School will be Ignacio Arredondo from Spain. Also on the program will be Lindy Card who lives in Saratoga but who spent last summer in Brazil as an exchange student. She will tell of her experiences and show slides of the country.

Chairman for the afternoon will be Mrs. Karl Belser, who will be assisted by Mesdames Ross Trowbridge, Herbert Singleton, Lee Critchlow and Ida Yerkovich.

WSCS plans missionary meet

The general meeting of the Women's Society of Christian Service of the First United Methodist Church of Campbell will be held May 14 at 10 a.m. in the Fireside Room.

Speaker for the program will be Mrs. Mervil Willoughby, Work Area Chairman for Missions, whose subject will be "First, God". Last summer, as a representative of missionary education for the Women's Society of Christian Service, Mrs. Willoughby attended a conference at the University of the Pacific to study the meaning of reconciliation.

Following the program, luncheon will be served in the Fellowship Hall by the Poppy Circle.

STATE WINNER

Audrey A. Breen of 1510 S. Bascom Ave. has been selected as the recipient of a tuitional Graduate Fellowship for the academic year 1970-71.

RUMMAGE SALE

A rummage sale for the benefit of the charity of Elsie Figone, Vendome Parlor No. 100, Native Daughters of the Golden West, will be held May 22, 23 at 342 W. Campbell

CLASS REUNION

The San Jose High School class of 1935 will hold their 35th reunion May 16 at Lou's Village in San Jose. Dinner and dancing will be enjoyed, starting at 6:30 p.m.

Prospect Pulse

by IVALEE INGRAHAM

Final results for the swim team show the Panthers in first place in the league, with a record of nine wins and no losses. In the league finals the Varsity won seven of the 11 events. Winning swimmers included Dana Hoch, Howie Demere, Chip Richardson, Eric Test, Ross Meinhold, Rich Karnuth and Steve Shoemaker.

Prospect's tennis team has also been doing well. Their record of nine wins and three losses puts them in a tie for third place with Los Gatos. Steve Lee and Ken Highstreet, doubles partners, have had an undefeated year.

Several boys are now competing in Prospect's First Annual Beard Growing Contest. The contest started May 1 and will end May 20. Judges will award prizes to the boy with: The longest beard from the chin, the best looking all-around beard, the best all-around looking mustache, and the thickest mustache. At the end of the judging the boys must participate in a giant "shave in".

Today is the annual CSF/HS trip to San Francisco; 337 students left Prospect at 9 a.m. this morning and will return this evening. The students were free to enjoy the San Francisco sights, but were required to attend a movie or stage play. Choices were "Z", "Patton", "Anne Of the Thousand Days", and "1776", a musical play. Each student received a free ticket to his movie and $2.50.

Speech and Debate will hold their awards banquet along with Drama Commission next Wednesday in the cafeteria; 25 students have been nominated in seven categories.

May 22 is Prospect's Orchestra and Choir Concert.

A MOSAIC IN THE MAKING-- Hamilton School children are busy putting the finishing touches on a Hamilton school sign which will be dedicated May 20 at 7 p.m. Funds for the sign were donated by the PTA and the children have worked on the project for the entire year, from the design to the completed project. Installation of new PTA officers and entertainment by the Hamilton chorus will complete the evening. The children have all had a part in placing the tile, and each knows just which part he or she worked on. All parents and friends are invited to attend. Above are, l. to r., Julie Blaisdell, Ann Vadvilavich, Yvonne Lopez, John Loy, Mrs. Naomi Jue, readiness class teacher; Diana Carrasch, Tina Garner, Kyle Evans and Ron Loy. Theme of the project is "What School Means To Me".

Westmont holds flea market

Westmont Warriors Booster Club will be holding a Flea Market sale at Westmont High School parking lot May 16, 17 from 9 a.m. to 5 p.m. both days.

A charge of $2.50 for each space will be made, and all money will be used to pay for athletic equipment for the Westmont High School physical education program.

A snack bar will also be open and hot dogs, cold drinks, coffee, doughnuts, ice cream will be offered for sale. The Booster Club is a family affair and the sale is open to the public.

NOTICE OF DATE FIXED FOR SUBMITTING ARGUMENTS ON SCHOOL DISTRICT MEASURE

NOTICE IS HEREBY GIVEN that at an election to be held in the CAMPBELL UNION HIGH SCHOOL DISTRICT of Santa Clara County, California, on JULY 21, 1970, there will be submitted to the voters the following measure:

PROPOSITION:

Shall the proposed increase in the maximum tax rate from $1.35 to $1.70 per one hundred dollars ($100.00) of assessed valuation, such rate to be in effect in the Campbell Union High School District for the school years 1970-71 to and including 1974-75, the revenues of which are to be used for maintenance of the educational program, including funds for instructional supplies, library books, the maintenance and repair of buildings, grounds and equipment, operation, employee salaries, capital outlay, and to make such other lawful expenditures as may be required, be authorized?

AND THAT arguments for or against the preceeding measure may be submitted to the County Superintendent of Schools of Santa Clara County, c/o Registrar of Voters, 45 West St. James Street, P.O. Box 1147, San Jose, California 95108, not later than MAY 29, 1970, which has been determined by the County Superintendent of Schools under the authority of section 1462 of the Education Code to be a reasonable date based upon the time reasonably necessary to prepare and submit the arguments. No argument shall exceed 300 words in length. Arguments may be submitted by the governing board of the district or any member or members of the board authorized by the board, or any individual voter or bona fide association of citizens, or any combination of such voters and associations.

Pursuant to section 1465 of the Education Code, no argument or statement concerning a school district ballot measure shall be accepted unless a verification in substantially the following form is attached to such argument or statement:

I, ______________, do hereby declare under penalty of perjury that I am one of the signers of the foregoing document and that said document is true of my own knowledge except as to matters which are therein stated on information or belief and that as to those matters I believe it to be true.

Executed by me at ____________, California, this ________ day of _________, 19____.

____
Signature

Pursuant to sections 1461 to 1463 of the Education Code, one argument for and one argument against the measure shall be selected for printing and distribution to the voters with the card notice of election. Preference and priority in selection shall be given in the order named to the arguments of the following:

(a) The governing board of the district or member or members of the board authorized by the board.
(b) Bona fide associations of citizens.
(c) Individual voters.

NOTICE IS HEREBY GIVEN that on Tuesday, June 2, 1970, a consolidated election will be held in the CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County, California, at which election there will be submitted to the voters of the District the following questions in the order in which they are numbered:

PROPOSITION NO. 1:

Shall the Campbell Union School District of Santa Clara County incur a bonded indebtedness in the principal amount of $2,590,000.00 bearing interest at a rate of not exceeding 7% per annum, payable annually for the first year the bonds are to run, and semiannually thereafter, the number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof, to provide funds for the following purposes (which are hereby united and shall be voted upon as one single proposition) to wit:

1. The purchasing of school lots.
2. The building or purchasing of school buildings.
3. The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs.
4. The repairing, restoring or rebuilding of any school building damaged, injured or destroyed by fire or other public calamity.
5. The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
6. The permanent improvement of the school grounds.
7. The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to wit, providing sewers and drains adequate to treat and/or dispose of sewage and drainage on or away from each school property?

At an election held in this district on September 15, 1964, $5,000,000.00 of bonds were authorized with a maximum interest rate of 5%. $2,410,000.00 of these bonds have heretofore been sold and $2,590,000.00 remain unsold and cannot now be sold because interest rates in the bond market are higher than 5%. The $2,590,000.00 of bonds to be voted on at the election to be held in this district on June 2, 1970, are authorized for the same purposes as the above-mentioned unsold bonds, which will NOT be offered for sale if the coming election carries.

PROPOSITION NO. 2:

Shall the proposed increase in the maximum tax rate from $2.55 to $3.15 per one hundred dollars ($100.00) of assessed valuation, such rate to be in effect in the Campbell Union School District for the school years 1970-71 to and including 1972-73, the revenues of which are to be used for the maintenance of the educational program, including funds for instructional supplies, library books, the maintenance and repair of buildings, grounds and equipment, operation, employee salaries, capital outlay, and to make such other lawful expenditures as may be required, be authorized?

The polls will be kept open between the hours of 7:00 o'clock A.M. and 8:00 o'clock P.M.

Each qualified elector of said Campbell Union School District shall be entitled to vote only in the School District Election Precinct of which he is a resident.

The election returns will be publicly canvassed commencing Thursday, June 4, 1970, by the Registrar of Voters at his office, 45 West St. James Street, San Jose, California.

Absent Voter Ballots may be obtained by applying, in person or by mail, at the office of the Registrar of Voters, 45 West St. James Street, P.O. Box 1147, San Jose, California 95108, and such ballots shall be returned to him.

Applications for Absentee Ballots will be accepted between May 4, 1970, and May 26, 1970, inclusive.

The deadline for the receipt of voted Absentee Ballots at the office designated above is 5:00 o'clock P.M., Monday, June 1, 1970.

The election precincts and polling places designated and the election officers appointed for the DIRECT PRIMARY ELECTION to be held on June 2, 1970 are hereby designated and appointed for this election within the boundaries of the Campbell Union School District.

The County Superintendent of Schools, by this Notice of Election, has called the election pursuant to a Resolution and Order of the Governing Board of the District, adopted February 26, 1970, in accordance with the provisions of Education Code Sections 1303, 1307, 1323, 1325, 1326, 1342, 20803, 21701 and 21751.

Campbell artists busy in many different fields

Campbell artists are extremely busy these days with art shows, meetings, one-man shows, and other activities.

The general meeting of the Campbell Artists Guild will be held May 21 at 7:30 p.m. at the Country Woman's Club of Campbell clubhouse on Campbell Ave. and First St.

At that time pre-judging of the pictures for the June exhibit at Valley Fair, and each artist may bring two or three pictures to be considered. Cash prizes will be awarded at the June exhibit.

Darwyn Patz, a member of the Campbell Guild, is having a one-man show at the Bank of America, Valley Fair, during the month of May. Mrs. Patz's oil paintings cover an interesting variety of subjects.

Creative Artists Group members are giving another "Art in Action Art Show" at the Quito Shopping Center on Cox Ave. May 15 and 16, with another scheduled for the Strawberry Park Shopping Center, 675 Saratoga Ave., May 23, 24. Any artist or craftsmen wishing to participate in the show may call Bea Griffin, 379-9268.

Mrs. Jack Lucier, 1321 Klamath Dr., creator of "Lucier Originals", will be one of the artists demonstrating at the Quito show. She specializes in miniature wall hangings, and scenes on driftwood and seashells from Monterey and Carmel. Special orders will be completed "while you wait".

ART SHOW—The Cambrian Artists League will be holding their annual Spring Art Show and sale in the Westgate Shopping Center Mall Friday, May 15 and Saturday, May 16 from 9 a.m. to 5 p.m. The public will be invited to vote for their favorite painting. Shown with one of the paintings are Mrs. Barbara Conley, left, and Mrs. Shirley Erickson, on the right, president.

WVC presents joint concert

An evening of classical and contemporary selections will provide an entertaining evening when the West Valley College Choir and Madrigal Singers present a joint concert May 19.

Under the direction of music instructor Kathryn Huss, the 60-member choir will perform works by Brahms, Tschesnokoff, Barber, Williams, Jennings and Nelson.

Additional selections will include folk songs, spirituals and sacred compositions.

Sharing the bill that evening will be the Madrigal Singers, who will be directed by Kenneth Jewell, former chairman of the humanities-fine arts division. The select group of 20 voices will perform works by Bach and Palestrina and, in addition, two Negro spirituals, "Ezekial Saw De Whale" and "Deep River."

The concert is open to the public free of charge.

GRADUATES

Navy Seaman Ralph F. Wilder Jr., husband of Mrs. Merikay P. Wilder of 211 N. Carlyn Ave., Campbell, was graduated from the Storekeeper School at the Naval Training Center, San Diego, Calif.

Pinafore opens new CCT season

The Cabrini Community Theater (CCT) has announced that it will open its 1970-71 season with a production of Gilbert and Sullivan's Classic, H.M.S. Pinafore, this June. There are openings for teenagers, especially boys, in the chorus, in addition to the lead role of the Captain. Any interested parties should immediately call John P. Healy at 371-0232.

CCT will also hold its annual recognition night with a Potluck Dessert on Tuesday, May 19 at St. Frances Cabrini Hall on Camden Ave. Former, current and prospective members are invited. Trophies for best actor, actress, supporting actor and actress will be awarded. Entertainment will be by CCT's own specialty group, the "Entr'Actes". For further information call 371-0232.

Donkey baseball at Westmont

Westmont High School seniors will challenge their parents in a donkey basketball game Saturday, May 16 at the Westmont High School. The game will start at 7 p.m.

The first half of the game will see the senior boys challenging their fathers, and in the second half the senior girls will find out how young their mothers are.

Riders will be announced at the game. Reservations are now being taken with adult tickets $1, students with cards will be 75 cents and children 12 and under 50 cents.

Phone 379-3004 or 379-0608, for tickets or further information.

College holds wire structure show May 20

An exciting talent in "kinetic" or mobile sculpture, Fletcher Benton will present a film and illustration show at West Valley College May 20.

Through this presentation, Benton will explain his craft which has won him great respect in the art world and led to his selection as a major exhibitor of work this year at the International Museum of Fine Arts at Expo '70 in Osaka, Japan.

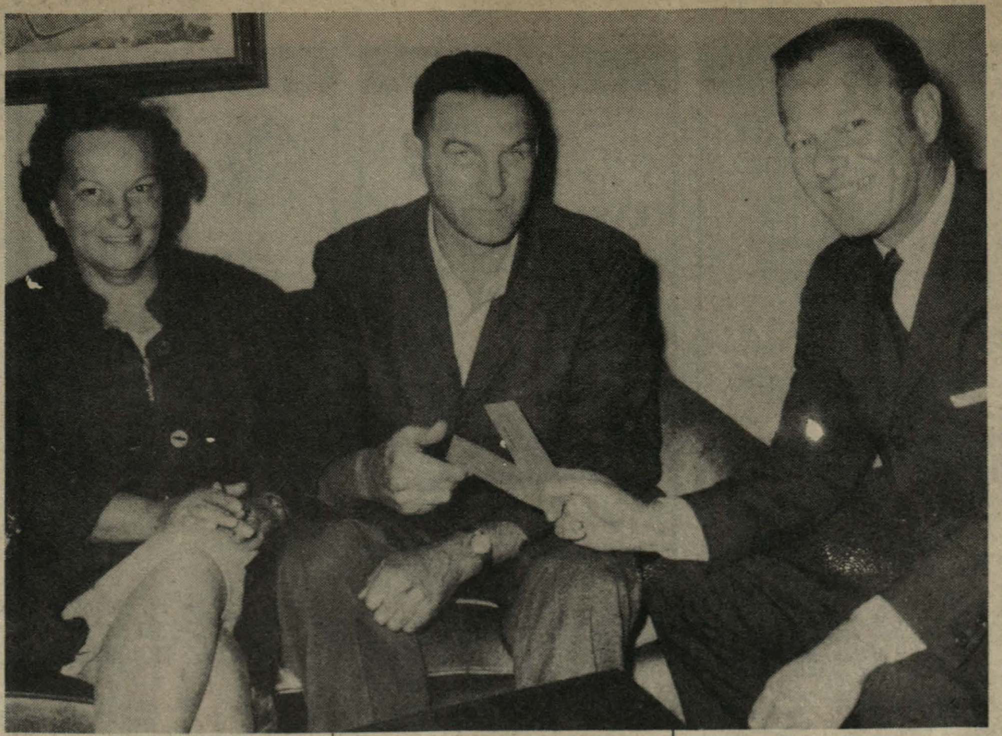
His graphics are described through moving, transparent parts; plexiglass panels with rectangles or arcs of color which stand one in front of the other and slide in opposite directions; and the sculptural, by use of mat and reflective surfaces of stainless steel, aluminum or black formica laminated to shallow wooden frameworks.

Admission to the 8 p.m. presentation in the Campbell campus auditorium, (51 E. Campbell Ave.) is free. However, tickets must be obtained through the Office of Community Services, 44 E. Latimer Ave., Campbell, telephone 379-1733, ext. 58.

TICKETS AVAILABLE

Some tickets are still available for "The New Theater" - a two-man traveling show which will stage a production at West Valley College May 15, at 8 p.m.

The two-man show, crafted with artistry and showmanship, is produced, acted, staged and promoted by Gerald Hiken and Paul E. Richards, both veterans of the Actors Studio in New York.



LUCKY WINNERS—Mr. and Mrs. Walter Fox, 2255 Shamrock Dr., were the lucky winners of the all expense-free Colonial Americana excursion given away during the recent opening of the Colonial Savings and Loan Association, 1510 S. HANK SANTORO

SAYS

It's Time For A Change

It's Time To Replace "Do Nothing" Philosophy with

ACTION ON PARKS

I propose to use our available resources to bring parks right to our back door. Over 465 school grounds are idle 60 per cent of the time and we could put this gigantic investment in building and open space to work full-time at a nominal cost.

ACTION ON SMOG

I propose to back a vigorous program to tighten controls on both industrial and auto emissions. ....No need to cry that it's someone else's problem, because unless we halt the spread of this noxious cloud we will all be asphyxiated.

ACTION ON GOVERNMENTAL EFFICIENCY

I propose to cut some $850,000 in waste from the county's budget, excess fat that some experts belive may be as high as $3 million. We badly need some tough-minded business experience with fresh new ideas to halt the ever-expanding growth of bureaucracy.

ACTION ON TRANSPORTATION

I propose we move now to correct a major failure of our valley, the need for a public transportation system. No other major metropolitan center is so crippled as we have become for lack of leadership. We must not shirk our responsibility in providing a balanced system that includes a rapid transit link with the rest of the Bay Area.

I WOULD APPRECIATE YOUR SUPPORT JUNE 2

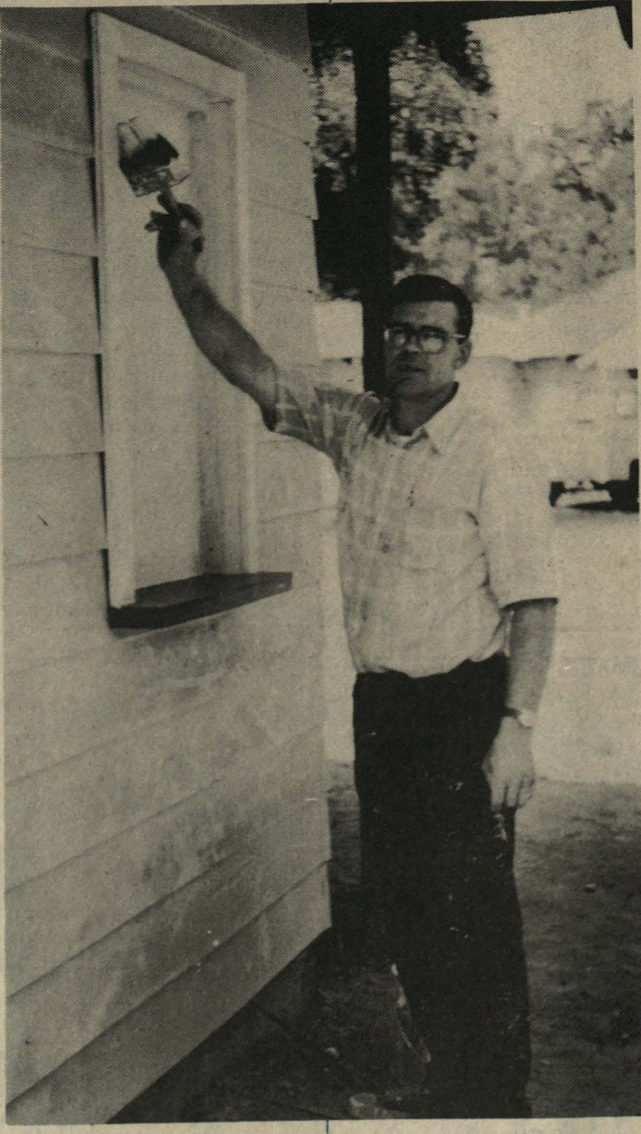
Campbell workers aid construction of road



PAINTING FOR RECREATION---Pat Bond, Campbell painting contractor, putting finishing touches on the mini-station of the Billy Jones Wildcat Railroad at Vasona Park. Train will be in operation by June 21, 1970.

Facing a self-imposed opening date of Sunday, June 21, 1970, volunteer workers from Campbell, along with others, for the Billy Jones Wildcat Railroad are busy each Saturday from 9 a.m. 'til 4:30 p.m. Scene of all the busy activity is Vasona County Park where volunteers of all ages are stretching four foot ties and 18 inch gauge rails out in a ¾-mile loop.

The mini-train directors urge all interested residents to show up each Saturday with a shovel and as an added inducement are offering free lunch and cold drinks. With the right-of-way graded and the bridge in across Los Gatos Creek, switches are being placed, tracks, ties, ballast and much good-natured sweat is being mixed in the proper quantities by volunteers of all ages.

The tiny, live steam, prarie type locomotive is about to be reassembled by busy machinists at Campbell Machine Shops, headed up by Ross Walker, owner of AMT Company on Sunnyoaks Avenue.

Pat Bond, Norwich Way, Campbell, is busy putting finishing touches on the tiny rococo station house and functional coach storage shed and engine round house.

Busy with the construction of a new coach, along with other volunteers, is Campbell mailman Ray Crawley. A 1965 Campbell High School graduate and apprentice electrician, Randy Jones finds time to construct a powered work car and has become very expert at laying out and constructing switches and track.

Volunteers wishing to donate time, talent, material and money may call 379-7720 for information.

P.E.O. Bureau holds luncheon

The P.E.O. Reciprocity Bureau of Santa Clara District will hold a 12:30 p.m. luncheon on Wednesday, May 20 at The Good Shepherd Lutheran Church, 1550 Meridian Ave. and Alta Glen. A business meeting at 11:30 a.m. will precede the luncheon which honors 50-year members.

All unaffiliated P.E.O.'s are cordially invited to attend. Mrs. W. H. Cilker, LP, will preside.

Reservation deadline is May 15. Call Mrs. E.A. Groves, 257-9973, or Mrs. John Calhoun, 253-7509, for information.

FIRST TO OPEN --- Shown above is the building occupied by the new Mirob Tire Sales in the partially completed Kirkwood Auto Center. When completed, the Auto Center will run from Campbell Avenue to Whitwood Lane on San Tomas Aquino Road.

The Mirob Tire Sales is a new business venture for Jerry Roberson and Peter Michaelsen, owners and operators, although both have many years of business experience in similar and related fields. The new store will feature the complete B. F. Goodrich line of tires, batteries and auto accessories. Other lines will include Gillette and Empire tires.

Letters to the Editor

IN APPRECIATION

Dear Mr. Vierhus:

I would like to publicly thank the Campbell Jaycees for the high honor they bestowed upon me last Tuesday evening, May 5. The award will be cherished and the recognition it symbolizes will be remembered for a lifetime.

To the many people and organizations which cared enough and took the time to nominate me, I am most appreciative. I have stated several times over the past week that it is the people of this community who really deserve the recognition I received. For without their cooperation and dedicated willingness to make this community in which they live a better place for all of us, it would have been impossible for me to have received this honor.

The people of Campbell are a community conscious group of individuals motivated towards the continued betterment and enrichment of their community. As a consequence, of this devotion, it has made my task of working with individuals and service organizations most rewarding.

There are many problems facing the future of Campbell, but within the people of this town there lies the potential of finding realistic and workable solutions to these problems.

If those individuals who have worked so unselfishly over the past few years continue to do so and if they are joined by others who also wish to make this community a wholesome place in which to live, then I am sure all the citizens of Campbell can point to their community as the Model City of Santa Clara County.

Again, to the Campbell Jaycees and to the people of Campbell, thank you for this high tribute. I shall strive to continue to serve the people of Campbell to the best of my ability and to maintain the confidence and trust all of you have entrusted to me.

Thank you,
Carl F. Kuhn
Assistant to the City Manager
City of Campbell

Luoto's robbed for second time

Luoto's Restaurant, 2368 S. Winchester Blvd. was burglarized over the weekend, with $730 in cash being removed from the establishment.

Police surmise that the burglar either had a key to the business or hid on the premises until after closing time. No signs of forced entry could be found and the fact that only the cash was removed from various places in the business indicated a thorough knowledge of the premises.

Phillip Luoto, owner, discovered the theft when he unlocked early Sunday morning.

Several months ago the restaurant was cleaned out of over $3,600 after the owners were held at gun point in their own home.

Morgan appears before Alcoholic Control board

John Morgan, Campbell Police Chief, appeared Tuesday, May 12 before the Department of Alcoholic Beverage Control in Sacramento to testify on the proposed changes in the Regulation of the department concerning nude entertainment.

Morgan was asked to appear after he filed a report with the department stating the stand made in Campbell to the effect that "topless entertainment is a detriment to the community as a whole and has and will continue to create police problems that tax, deplete and detract from the police functions in protecting the community".

MARINE FLYER

Marine First Lieutenant Thomas J. Wright, son of Mr. and Mrs. Donald W. Wright of 911 Old Orchard Rd., Campbell, returned from a three week deployment in Yuma, Ariz., with Marine Fighter Attack Squadron 251 (VMFA-251) of the Marine Corps Air Station, Beaufort, S. C.

ON CAPITOL HILL

with "Charlie" Gubser

One of the most valid criticisms of congressional procedure is the fact that important decisions are often made by "teller" instead of a recorded vote. Under this procedure, those voting in the affirmative file down the center aisle and are counted and then the "noes" do likewise. Thus, the general public does not know how their Congressmen vote on many issues.

For years I have advocated use of a machine so that all votes could be recorded. Others have recently taken up the cause.

An event which occurred on May 6, if it had been recorded, would have shown several dozen Congressmen availing themselves of the anonymity of a teller vote to actually vote against something they had been speaking for the entire afternoon.

The House was attempting to place some restriction on the President with respect to the use of troops in Cambodia. The galleries were filled and more than a hundred impassioned speeches were made in favor of various forms of restriction. Most of the speeches were made by ultra-liberal Members of Congress, many of whom had been quite vocal in demanding congressional reform and record voting.

Various amendments with differing types of restriction against the President were defeated. One went down by a teller vote of 132 "ayes" to 215 "noes". Another was narrowly rejected by a vote of 140 to 172. Finally one was adopted by a vote of 171 to 144.

This amendment, presented by Representative Findley (R-Ill.), would have restricted the President from using American ground combat forces in Cambodia without prior consultation with Congress and only then in cases where the lives of American servicemen were endangered.

These two demands were included in almost every one of the more than 100 speeches given throughout the afternoon.

Ironically, the Findley amendment, adopted by a vote of 171 to 144, was soundly defeated in the next five minutes by a teller vote of 32 "ayes" to 221 "noes". (I was one of the 32 who voted for the restriction on the use of troops in Cambodia.)

In watching the Members file through the teller line, it was obvious that the 221 "no" votes represented a coalition of hawks who wanted no restriction at all and ultra-liberals. Members of the latter group, most of whom had spoken all afternoon in favor of restrictions, used the unrecorded teller vote to kill any restriction. I suppose they did so on grounds that the restriction was not strong enough.

The reasons for defeating a restriction on the use of troops in Cambodia will be many and varied. Some were valid and others invalid. But that is not the point.

The real point is that the American people will not know the identity of the 221 who voted "no". They will be denied the right to inquire of their Congressman as to his reason for talking one way in a House speech and voting another way in an unrecorded teller vote.

Obituaries

ELIZABETH NANCE

Funeral services were held Tuesday for Elizabeth Anne Nance, 43, who was killed Friday, May 8, in an automobile crash on Highway 17, south of Los Gatos. Mrs. Nance made her home at 1569 Silacci.

She was a passenger in a car reportedly driven by Ward Skelton. The car was hit by a second car driven by Robert Knight, 26, of Santa Clara, when they pulled out on the highway to head north. Mrs. Nance was pronounced dead on arrival at a local hospital. Knight was booked for investigation of manslaughter.

Services were held at the Willow Glen Chapel in San Jose with burial in Twin Harbors, Minn.

Survivors include her children, David, Sylvia and Bruce Nance and Linda Garcia, all of San Jose and two grandchildren.

MRS. HERRING

Mrs. Nanette Herring, 72, 31 Mission Way, passed suddenly Monday, May 4, in Campbell. Mrs. Herring had lived in Campbell for over 60 years. She was a native of Massachusetts and the widow of Ralph Herring, who passed away a year and a half ago.

She leaves her daughter, Mrs. Norma Hunter of Millbrae and four grandchildren, and one sister, Mrs. Muriel Ulm of Santa Cruz.

She was a member of the Rebekahs. Private services were held at Oak Hill Mortuary with interment there.

IN MUSICAL---Several Campbell residents will be seen in the wind-up presentation of "The Most Happy Fella" this weekend, May 15, 16 at the Montgomery Theater. Shown above, l. to r., are Lucy Chioni, 950 Gale Dr., a member of the chorus; Hazel Horti, 412 Cloverdale Lane, who plays the part of Maria, and Patti Boyd, also of Campbell, who is one of the dancers in the production. The musical is directed by George Costa.

Carlino, Sprague new owners of Round House Delicatessen

The Round House, Liquor and Delicatessen store in the Kirkwood Plaza shopping center, this week began operations under new ownership and management. New owners are Pete Carlino of 79 Catalpa Lane, Campbell, and Porter Sprague of 120 Brocastle Way in Los Gatos.

Carlino has been well known in this area for many years as he was a partner in the operation of the popular Time Market at the corner of Bascom and West San Carlos St. for more than 16 years.

Porter Sprague is a native of this area, attending both grammar school and high school in the Campbell School system. Sprague is married and has a son 3½ years old.

Carlino and his wife, Pauline, have five children; Peter 18, Patricia 16, Patrick 13, Pamela 11, and Paulette 9, and Carlino said "Another will be coming along any day now." The two partners have already made extensive improvements to the business to bring it up to their aim of operating the "finest liquor and delicatessen store in the Valley".

An extensive line of choice domestic and imported delicatessen items is arriving daily, featuring such delicacies as fine cheeses and sausage from Wisconsin, Land O' Lakes (Minnesota), Switzerland, Germany, Denmark, Sweden, Norway, as well as the best of the Pacific Coast, such as Tillamook.

Catering service will be available for large and small parties, family gatherings, weddings, etc.

VIKE TANKMEN TURN TOP TIMES

West Valley College swimmers turned in some of their best times of the year but still managed only two points at the state junior college swimming and diving championships at Orange Coast College.

WVC TO SPONSOR SUMMER SOCCER LOOP

West Valley College is preparing to sponsor its second annual summer soccer league after a successful attempt in 1969. The league will expand for the 1970 summer to two classes due to the interest generated by the new soccer program.

The WVC summer recreation soccer league is open to all male residents of the West Valley area of college age. The addition of a B league should "provide an opportunity for many of the young players in this area to learn the fundamentals of soccer," put in league coordinator Dick Schwendinger.

Any resident interested in the program should contact the Community Services Office at West Valley College (379-1733) or Vike soccer coach Schwendinger.

CARMELITA CAPILLA MEMORIAL SCHOLARSHIP

The Women's Physical Education Club at West Valley College will award their first scholarship since 1968 in the name of the late Carmelita Capilla, the Westmont High graduate and former WVC athlete and humanitarian who died last December of leukemia.

The scholarship is a $100 grant to a female physical education major from Valley transferring to a four-year college. The award, according to club adviser Joan Sarlo, is based on past service to the club and college, demonstrated potential as a future PE teacher, academic achievement (especially in major courses), and need.

VIKETTES WIN TWO

The West Valley College women's softball team boasts a 2-1 record thus far into the 1970 season. With wins over the College of San Mateo, 14-13 in eight innings, and Solano 28-9, Valley's only loss was at the hands of rival San Jose City College 9-6.

The Vikettes line-up includes Chris Drelicharz, catcher; Sue Wilson, pitcher; Lotte O'Neill, first base; Sheri Boots, second base; Cheryl Koehn, third base; Nancy Rufener, shortstop; Linnea Gardner, left field; Jeannie Sargentini, center field; Penny Lake, right field; and Kathey Amaral, right field.

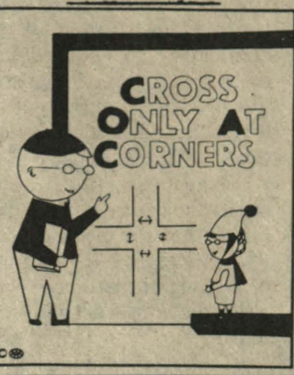
VE-RR-Y INTERESTING -- What is this big Great Dane and that little Papillon doing? Well, would you believe they are being trained -- to sit and stay. The two were part of a class of youngsters who participated in the Santa Clara Dog Training Club's kids and dogs training program last spring. A new program for children will begin May 19 at the fairgrounds. Youngsters, aged 9 - 15, may bring their pets to a five-week class and teach them basic obedience. The Papillon, incidentally, won a trophy and was trained by Kim Caddell, 90 Railway Ave.

Moreland adopts school calender

Children in the Moreland School District will be returning to their classes on Thursday, Sept. 10, upon adoption of next year's calendar by the Board of Trustees.

One hundred and seventy-six teaching days are scheduled with the following holidays: Nov. 11, Veterans' Day; Nov. 26 and 27, Thanksgiving; Dec. 21-Jan. 1, Christmas vacation; Feb. 12, Lincoln's birthday; Feb. 22, Washington's birthday; April 5-9, Easter-Spring vacation, and May 31, Memorial Day. Public Schools Week will be observed April 18-24. The last day of school is Friday, June 11.

Teachers will be participating in Pre-School In-Service and Orientation programs on Sept. 1, 2, 3 and 4, 1970.



Bond issue of $35.6 million for college hits voters June 2

On June 2 residents of West Valley Joint Junior College District will vote on a $35.6 million bond issue submitted to voters by trustees of the district.

This is the fourth attempt by the district since its founding in 1963 to secure bonds for needed buildings to house the rapidly increasing student enrollment. All three previous attempts failed at the polls.

In February Jerry Girdner, dean of student personnel, released a report which showed that West Valley College is one of the fastest growing junior colleges in the state. He noted that West Valley increased its day student enrollment this past year by 23.6 per cent and anticipates a 22 per cent increase in day students next year.

This increase is almost 2½ times as fast as other junior colleges in the state (the statewide increase was 10.5 per cent) and four times as fast as the state colleges.

If approved the bond proposal would enable the district to complete the Saratoga campus, acquire and construct the Mission College campus in Santa Clara, and, finally, pay for the acquisition of a third site in the southeast part of the district, as well as the land upon which the present permanent buildings of the Campbell campus are located.

A breakdown of the proposed issue shows that $15.9 million will be used for completion of the Saratoga campus, including facilities for humanities and fine arts, physical education, a library and one building for business education, student personnel and administrative offices; $2.4 million for purchase of the Mission College site, with $19.5 million to be spent for construction of the entire campus with seven buildings; $2.3 million for purchase of the southern site; and $2.5 million for purchase of the present downtown Campbell campus, where central administrative offices, classrooms and warehouse facilities will be housed.

This totals over $42 million. However, more than $7 million was reduced from the bond proposal by trustees, with the belief that this money will be made available by the federal and state governments.

If the bond issue is approved by voters, bonds will not immediately be sold, but rather will be sold over a number of years.

SERVICE? WE'LL TAKE CARE OF IT! From time to time even the finest equipment requires the steady hand of a factory trained serviceman. If you need help, isn't it a comfort to know we're right around the corner. Whether it's a tire change, or a complete bike rebuilding job, we are ready . . . cheerful, fast, and efficient

When you buy a new bike at an "ordinary," non-bicycle store you often have to take the carton home and assemble the bike yourself. Frequently, an additional charge is made for the assembly service. When you buy a bike from us there is nothing ordinary about it. First, it is a Schwinn — one of the world's finest bicycles. Second, we are a factory franchised Schwinn dealer — so you can rely on our service and quality. Third — every bike we sell is assembled, adjusted, and ready-to-ride.
